Foreword

This company profile provides an overview of our business capabilities in fabrication, procurement, and industrial support services.

We are committed to delivering reliable, efficient, and high-quality solutions tailored to our clients' needs. With a focus on performance and customer satisfaction, we aim to become a trusted partner in every project we undertake.

We look forward to building strong and lasting business relationships.

Sincerely

President Director
PT Jeruk Mas Abadi

About Company

PT Jeruk Manis Abadi (PT JMA) is a growing startup company engaged in manufacturing and fabrication, with a strong focus on delivering reliable, precise, and high-quality results. Established on October 30, 2018, PT JMA continues to expand by providing innovative solutions to meet the evolving needs of modern industries.

Our Head Office is located at:

18 Office Park, 10th Floor Unit A, Jl. TB Simatupang No. 18, RT 002/001, Kebagusan, Pasar Minggu, South Jakarta, DKI Jakarta.

Our main workshop is located at:

KP. Cinyosog RT 001 RW 005, Burangkeng Village, Setu District, Bekasi Regency, West Java, 17320.

PT JMA was founded in response to the growing industrial demand for effective and high-quality production equipment. With this foundation, we are committed to becoming a pioneering company in the design and manufacturing of industrial machinery. Supported by experienced professionals and well-equipped facilities, we strive to deliver the best products and services to support the efficiency and growth of your business.

Vision and Mision

VISION

To become the most trusted fabrication company in Indonesia by providing high-quality machine components, industrial equipment, conveyor systems, and biodiesel filtration units through reliable processes and skilled human resources.

MISION

Providing reliable and high-quality fabrication services.

Continuously improving technical capabilities.

Building a solid and professional team.

Supporting the industrial sector with long-lasting solutions.

Ensuring quality, efficiency, and punctuality in every job.

PT. JERUK MANIS ABADI
Fabrication & Engineering Solution

Services Offered

PT JMA provides high-quality fabrication services supported by experienced professionals and strict quality standards to ensure reliability and precision in every project.

Mechanical Fabrication

Custom fabrication services including structural works, tanks, piping, and skid systems.

Equipment Supply

Supply of industrial equipment such as pumps, valves, filtration systems, electrical components, and tools.

Spare Parts

Provision of high-quality spare parts including bearings, seals, gaskets, filters, and piping accessories.

Installation & Maintenance

Installation, preventive maintenance, troubleshooting, and repair services.
